NAME: Christoph Hugl

JOB TITLE: Sport- and event project management

WORKPLACE: HUGLPROJECTS KG

What important experience have you only had in your professional life not in university?

Project budgets are usually too small.

In which phase of a project or event do you see the biggest challenge?

The gap between concept- and operational phase
is usually a tricky one.

What do you think is one of the most important skills students need in the work environment?

Creativity
Collaboration
Critical Thinking
Agility

Which mistake has turned out to be your biggest lesson learned so far?

Always talk to the team
and project stakeholders
for upcoming, significant
changes in the project.

A good communication is an
essential part of the teams'
spirit and for a successful
project outcome.

What words would you like your business project group and the other students to take with them on their professional journey?

Be open-minded for new challenges
Think positive
Use all your experiences wisely

What is your motivation to coach business projects?

To see students personal and
professional developments

Most impressive characteristic of my business partner:

Patience

Motto for life:

No street is too long, no mountain is too high
