

Information on Admission

Energy & Sustainability Management (FH Kufstein Tirol), full-time Study program code 0338

Introduction

According to § 4 para. 4 FHG, the educational requirement for admission to a university of applied sciences master degree program shall be the completion of a subject-relevant university of applied sciences bachelor degree program or the completion of an equivalent degree program at a recognized domestic or foreign post-secondary educational institution. In the case that equivalence has basically been established and only certain supplementary qualifications are required for full equivalence, the program director shall be entitled to tie the determination of equivalence to examinations to be taken during the master degree program.

Definition of „relevant“
