Bachelor's thesis

Master's thesis

Abstract

Problem definition and objective:

Design / Methodology / Research approach:

Results:

Originality and practical implications:

Research limitations:

Word count:

words

[Specification of the words used in the abstract - excl. the headings marked "bold" in the structured abstract]

NOTES ON THE ABSTRACT:

For the abstract, we ask that you write a structured summary based on the following points. Be concise and include only the most important information. You have a maximum of 500 words to fully describe the abstract. The goal is for you to be able to present it to a manager or decision maker who should be able to quickly get a clear idea of your work based on your summary. At the end, please indicate how many words your abstract is.
