

Information on Admission

Digital Marketing (FH Kufstein Tirol), part-time Study program code 0737

Introduction

According to § 4 para. 4 FHG, the educational requirement for admission to a university of applied sciences master degree program shall be the completion of a subject-relevant university of applied sciences bachelor degree program or the completion of an equivalent degree program at a recognized domestic or foreign post-secondary educational institution. In the case that equivalence has basically been established and only certain supplementary qualifications are required for full equivalence, the program director shall be entitled to tie the determination of equivalence to examinations to be taken during the master degree program.

Definition of „relevant“

In any case, the university of applied sciences bachelor degree program Marketing & Communication Management completed at the University of Applied Sciences Kufstein Tirol shall be regarded as a relevant bachelor degree program. The admission to this master degree program shall also be made possible following the successful completion of any other relevant bachelor or university of applied sciences bachelor degree program. Subjects relevant to this master's program are bachelor's degree programs or equivalent post-secondary education degrees in social and economic sciences (based on ISCED 2013, Fields of Education and Training 03/04), that cover the core subject areas of Marketing, Communication, Management and Business administration (based on ISCED 2013, Fields of Education and Training 031/032/041), summarily treated in a total of at least 30 ECTS.¹
